

RCW 10.77.2101 Implementation of legislative intent. In developing rules under RCW 10.77.210(2), the department shall implement the following legislative intent: Increasing public safety; and making decisions based on a person's current conduct and mental condition rather than the classification of the charges. [1998 c 297 s 46.]

Effective dates—Severability—Intent—1998 c 297: See notes following RCW 71.05.010.
