Findings—1995 c 269: "The legislature finds that the economic opportunities for cosmetologists, barbers, estheticians, and manicurists have deteriorated in this state as a result of the lack of skilled practitioners, inadequate licensing controls, and inadequate enforcement of health standards. To increase the opportunities for individuals to earn viable incomes in these professions and to protect the general health of the public, the state cosmetology, barbering, esthetics, and manicuring advisory board should be reconstituted and given a new charge to develop appropriate responses to this situation, including legislative proposals." [1995 c 269 § 401.]
