**Intent—1989 c 328:** "The legislature recognizes the dramatic increase in cases filed in superior court over the last six years in

King, Pierce, and Snohomish counties. This increase has created a need for more superior court judges in those counties.

The increased caseload at the superior court level has also caused a similar increase in the case and petition filings in the court of appeals. Currently, the additional caseload is being handled by pro tempore judges and excessive caseloads for permanent judges. The addition of a permanent full-time judge will allow the court to more efficiently process the growing caseload.

By the creation of these additional positions, it is the intent of the legislature to promote the careful judicial review of cases by an elected judiciary." [1989 c 328 § 1.]
