Finding—2010 c 235: See note following RCW 28A.405.245.

Findings—Purpose—2006 c 263: "In 2005, the legislature reconstituted the state board of education to refocus its purpose; abolished the academic achievement and accountability commission; and

assigned policy and rule-making authority for educator preparation and certification to the professional educator standards board. The purpose of this act is to address the remaining statutory responsibilities of the state board of education held before 2005. The legislature finds that some duties should be retained with the reconstituted board; many duties should be transferred to other agencies or organizations, primarily but not exclusively to the superintendent of public instruction; and some duties should be repealed. This act also corrects statutes to implement fully the transfer of responsibilities authorized in 2005." [2006 c 263 § 1.]
