

**RCW 28B.30.520 Statewide off-campus telecommunications system—
Authorized—Purpose, education in high-technology fields—Availability
of facilities.** The board of regents of Washington State University is
hereby authorized to establish a statewide off-campus
telecommunications system to provide for graduate and continuing
education in high-technology fields to citizens of the state of
Washington. The statewide telecommunications system shall be
administered by Washington State University with the advice of the
high-technology coordinating board. Washington State University shall
make the facilities of the statewide telecommunications system
available to other institutions of higher education when specific
program needs so require. [1983 1st ex.s. c 72 s 14.]
