Findings—Intent—2023 c 404: "The legislature finds that requests for records concerning voter registration information, election data, and systems and processes of election administration have increased exponentially over the last several years. The legislature further finds that public access to these requested records increases the public confidence in electoral processes through greater public transparency. The legislature intends to clarify responsibilities for producing records containing election information to improve the efficiency in which they are made available." [2023 c 404 § 1.]
