

RCW 36.57A.100 Agreements with operators of local public transportation services—Operation without agreement prohibited—Purchase or condemnation of assets. Except in accordance with an agreement made as provided in this section or in accordance with the provisions of RCW 36.57A.090(3) as now or hereafter amended, upon the effective date on which the public transportation benefit area commences to perform the public transportation service, no person or private corporation shall operate a local public passenger transportation service, including passenger-only ferry service, within the public transportation benefit area with the exception of taxis, buses owned or operated by a school district or private school, and buses owned or operated by any corporation or organization solely for the purposes of the corporation or organization and for the use of which no fee or fare is charged.

An agreement may be entered into between the public transportation benefit area authority and any person or corporation legally operating a local public passenger transportation service, including passenger-only ferry service, wholly within or partly within and partly without the public transportation benefit area and on said effective date under which such person or corporation may continue to operate such service or any part thereof for such time and upon such terms and conditions as provided in such agreement. Such agreement shall provide for a periodic review of the terms and conditions contained therein. Where any such local public passenger transportation service, including passenger-only ferry service, will be required to cease to operate within the public transportation benefit area, the public transportation benefit area authority may agree with the owner of such service to purchase the assets used in providing such service, or if no agreement can be reached, the public transportation benefit area authority shall condemn such assets in the manner and by the same procedure as is or may be provided by law for the condemnation of other properties for cities of the first class, except insofar as such laws may be inconsistent with the provisions of this chapter.

Wherever a privately owned public carrier operates wholly or partly within a public transportation benefit area, the Washington utilities and transportation commission shall continue to exercise jurisdiction over such operation as provided by law.
