(2) The office of financial management, by rule, shall establish procedures for the suspension of the entry-level training requirement in cases where the ability of an agency to perform its responsibilities is adversely affected, or for the waiver of this requirement in cases where a person has demonstrated experience as a substitute for training.

(3) Agencies subject to the provisions of this chapter, in accordance with rules prescribed by the office of financial management, shall designate individual positions, or groups of positions, as being "supervisory" or "management" positions.
