(i) Any compensation forgone by a member employed by a state agency or institution during the 2009-2011 fiscal biennium as a result of reduced work hours, mandatory or voluntary leave without pay, temporary reduction in pay implemented prior to December 11, 2010, or temporary layoffs if the reduced compensation is an integral part of the employer's expenditure reduction efforts, as certified by the employer;

(iii) Reduction efforts such as furloughs, reduced work hours, mandatory leave without pay, temporary layoffs, or other similar situations as contemplated by subsection (15)(c)(iii) of this section do not result in a reduction in service credit that otherwise would have been earned for that month of work, and the member shall receive the full service credit for the hours that were scheduled to be worked before the reduction.

(b)(i) "Service" for plan 2 members, means periods of employment by a member for one or more employers for which basic salary is earned for ninety or more hours per calendar month which shall constitute a service credit month. Expiration date—2024 c 319 s 3: "Section 3 of this act expires July 1, 2025." [2024 c 319 s 6.]

Expiration date—2024 c 304 s 201: "Section 201 of this act expires July 1, 2025." [2024 c 304 s 203.]

Retroactive application—2021 c 12: "It is the intent of the legislature that this act be curative, remedial, and retroactively applied." [2021 c 12 s 1.]

Purpose—Application—2012 c 236: "(1) On August 18, 2011, the state supreme court entered an opinion in the matter of *Dolan v. King County*, Cause No. 82842-3. The court recognized that a public employees' retirement system eligible employee must work for a public employees' retirement system employer under RCW 41.40.010. However, the court did not explain how such an employee can be an employee of a government contractor and also of a government employer. The legislature determines it necessary and appropriate to affirmatively state that a governmental contractor is not an employer for purposes of the state's public pension systems, including the public employees' retirement system, whether or not the contractor is providing

mandatory or discretionary governmental services, and whether or not the contractor is a for-profit or not-for-profit entity.

(2) The legislature has not intended in its pension legislation to provide retirement system eligibility to employees of government contractors. Only in specific circumstances, such as employees of entities, including nonprofits, created by government under the interlocal cooperation act in chapter 39.34 RCW, has the legislature and department of retirement systems permitted retirement system eligibility for employees of government contractors. The department's rules in WAC 415-02-110 conform to the purpose and intent of the legislature regarding public pension eligibility.

(3) It is the purpose of this act to more clearly state and to confirm that employees of for-profit or not-for-profit corporations or other entities providing services under governmental contracts are not, as a result of providing such governmental service, eligible for membership in the various public retirement programs. The state and its local governments have not provided for such eligibility and such eligibility would create unfunded liability for state and local governments and potential impacts on the integrity of the public pension systems.

(4) This act provides cross-references to existing statutes that affect eligibility for pensions under the retirement systems authorized by chapters 41.26, 41.32, 41.35, 41.37, 41.40, and 41.50 RCW and to the relevant definition sections of those chapters. Except as provided, this act is technical in nature and neither enhances nor diminishes existing pension rights. It is not the intent of the legislature to change the substance or effect of any statute previously enacted. Rather, this act provides cross-references to applicable statutes in order to aid with the administration of eligibility and benefits authorized in chapters 41.26, 41.32, 41.35, 41.37, 41.40, and 41.50 RCW.

(5) This act shall apply solely to eligibility for state-sponsored public employee pension plans under chapters 41.26, 41.32, 41.35, 41.37, and 41.40 RCW and shall not affect any other statute or rule regarding employee benefits, status, or workplace protections.

(6) This act is curative and remedial, but does not affect the state supreme court decision in *Dolan v. King County*, Cause No. 82842-3, and the right established therein of King county public defenders and staff to public employees' retirement system enrollment and eligibility." [2012 c 236 s 1.]

Effective date—2024 c 304 s 202: "Section 202 of this act takes effect July 1, 2025." [2024 c 304 s 204.]

Effective date—2023 c 77: See note following RCW 41.26.565.

Retroactive application—2021 c 12: "It is the intent of the legislature that this act be curative, remedial, and retroactively applied." [2021 c 12 s 1.]

Purpose—Application—2012 c 236: "(1) On August 18, 2011, the state supreme court entered an opinion in the matter of *Dolan v. King County*, Cause No. 82842-3. The court recognized that a public employees' retirement system eligible employee must work for a public employees' retirement system employer under RCW 41.40.010. However, the court did not explain how such an employee can be an employee of a government contractor and also of a government employer. The legislature determines it necessary and appropriate to affirmatively state that a governmental contractor is not an employer for purposes of the state's public pension systems, including the public employees' retirement system, whether or not the contractor is providing mandatory or discretionary governmental services, and whether or not the contractor is a for-profit or not-for-profit entity.

(2) The legislature has not intended in its pension legislation to provide retirement system eligibility to employees of government contractors. Only in specific circumstances, such as employees of entities, including nonprofits, created by government under the interlocal cooperation act in chapter 39.34 RCW, has the legislature and department of retirement systems permitted retirement system eligibility for employees of government contractors. The department's rules in WAC 415-02-110 conform to the purpose and intent of the legislature regarding public pension eligibility.

(3) It is the purpose of this act to more clearly state and to confirm that employees of for-profit or not-for-profit corporations or other entities providing services under governmental contracts are not, as a result of providing such governmental service, eligible for membership in the various public retirement programs. The state and its local governments have not provided for such eligibility and such eligibility would create unfunded liability for state and local governments and potential impacts on the integrity of the public pension systems.

(4) This act provides cross-references to existing statutes that affect eligibility for pensions under the retirement systems authorized by chapters 41.26, 41.32, 41.35, 41.37, 41.40, and 41.50 RCW and to the relevant definition sections of those chapters. Except as provided, this act is technical in nature and neither enhances nor diminishes existing pension rights. It is not the intent of the legislature to change the substance or effect of any statute previously enacted. Rather, this act provides cross-references to applicable statutes in order to aid with the administration of eligibility and benefits authorized in chapters 41.26, 41.32, 41.35, 41.37, 41.40, and 41.50 RCW.

(5) This act shall apply solely to eligibility for state-sponsored public employee pension plans under chapters 41.26, 41.32, 41.35, 41.37, and 41.40 RCW and shall not affect any other statute or rule regarding employee benefits, status, or workplace protections.

(6) This act is curative and remedial, but does not affect the state supreme court decision in *Dolan v. King County*, Cause No. 82842-3, and the right established therein of King county public defenders and staff to public employees' retirement system enrollment and eligibility." [2012 c 236 s 1.]
