(A) Retroactive payments to an individual by an employer on reinstatement of the employee in a position, or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation and the individual shall receive the equivalent service credit.

(B) If a leave of absence, without pay, is taken by a member for the purpose of serving as a member of the state legislature, and such member has served in the legislature five or more years, the salary which would have been received for the position from which the leave of absence was taken shall be considered as compensation earnable if the employee's contribution thereon is paid by the employee. In addition, where a member has been a member of the state legislature for five or more years, earnable compensation for the member's two highest compensated consecutive years of service shall include a sum not to exceed thirty-six hundred dollars for each of such two consecutive years, regardless of whether or not legislative service was rendered during those two years.

(iv) For members employed less than full time under written contract with a school district, or community college district, in an instructional position, for which the member receives service credit of less than one year in all of the years used to determine the earnable compensation used for computing benefits due under RCW 41.32.497, 41.32.498, and 41.32.520, the member may elect to have earnable compensation defined as provided in RCW 41.32.345. (v) "Earnable compensation" does not include:

(A) Remuneration for unused sick leave authorized under RCW 41.04.340, 28A.400.210, or 28A.310.490;

(i) Retroactive payments to an individual by an employer on reinstatement of the employee in a position or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation, to the extent provided above, and the individual shall receive the equivalent service credit.

(ii) In any year in which a member serves in the legislature the member shall have the option of having such member's earnable compensation be the greater of:

(A) The earnable compensation the member would have received had such member not served in the legislature; or

(B) Such member's actual earnable compensation received for teaching and legislative service combined. Any additional contributions to the retirement system required because compensation earnable under (b) (ii) (A) of this subsection is greater than compensation earnable under (b) (ii) (B) of this subsection shall be paid by the member for both member and employer contributions.

(c) In calculating earnable compensation under (a) or (b) of this subsection, the department of retirement systems shall include:

(i) Any compensation forgone by a member employed by a state agency or institution during the 2009-2011 fiscal biennium as a result of reduced work hours, mandatory or voluntary leave without pay, temporary reduction in pay implemented prior to December 11, 2010, or temporary layoffs if the reduced compensation is an integral part of the employer's expenditure reduction efforts, as certified by the employer;

(i) If a member is employed by two or more employers the individual shall receive no more than one service credit month during any calendar month in which multiple service is rendered.

(iv) Reduction efforts such as furloughs, reduced work hours, mandatory leave without pay, temporary layoffs, or other similar situations as contemplated by subsection (14)(c)(iii) of this section do not result in a reduction in service credit that otherwise would have been earned for that month of work, and the member shall receive the full service credit for the hours that were scheduled to be worked before the reduction.

(b) "Service" for plan 2 and plan 3 members, means periods of employment by a member for one or more employers for which earnable compensation is earned subject to the following conditions:

(viii) The department shall adopt rules implementing this subsection.

Findings—1990 c 274: "(1) The current system for calculating service credit for school district employees is difficult and costly to administer. By changing from the current hours per month calculation to an hours per year calculation, the accumulation of service credit by school district employees will be easier to understand and to administer.

(2) The current system for granting service credit for substitute teachers is difficult and costly to administer. By notifying substitute teachers of their eligibility for service credit and allowing the substitute teacher to apply for service credit, the accumulation of service credit by substitute teachers will be easier to understand and to administer.

(3) Currently, temporary employees in eligible positions in the public employees' retirement system are exempted from membership in the system for up to six months. If the position lasts for longer than six months the employee is made a member retroactively. This conditional exemption causes tracking problems for the department of retirement systems and places a heavy financial burden for back contributions on a temporary employee who crosses the six-month barrier. Under the provisions of this act all persons, other than retirees, who are hired in an eligible position will become members immediately, thereby alleviating the problems described in this section.

(4) The legislature finds that retirees from the plan 2 systems of the law enforcement officers' and firefighters' retirement system, the teachers' retirement system, and the public employees' retirement system, may not work for a nonfederal public employer without suffering a suspension of their retirement benefits. This fails to recognize the current and projected demographics indicating the decreasing workforce and that the expertise possessed by retired workers can provide a substantial benefit to the state. At the same time, the legislature recognizes that a person who is working full time should have his or her pension delayed until he or she enters full or partial retirement. By allowing plan 2 retirees to work in ineligible positions, the competing concerns listed above are both properly addressed." [1990 c 274 § 1.]

Intent—Reservation—1990 c 274 §§ 2, 4: "(1) The 1990 amendments to RCW 41.32.010(27)(b) and 41.40.450 are intended by the legislature to effect administrative, rather than substantive, changes to the affected retirement plan. The legislature therefore reserves the right to revoke or amend the 1990 amendments to RCW 41.32.010(27)(b) and 41.40.450. No member is entitled to have his or her service credit calculated under the 1990 amendments to RCW 41.32.010(27)(b) and 41.40.450 as a matter of contractual right.

(2) The department's retroactive application of the changes made in RCW 41.32.010(27)(b) to all service rendered between October 1, 1977, and August 31, 1990, is consistent with the legislative intent of the 1990 changes to RCW 41.32.010(27)(b)." [1994 c 177 § 10; 1990 c 274 § 18.]

Effective date—1990 c 274: "Sections 1 through 8 of this act shall take effect September 1, 1990." [1990 c 274 § 21.]

Construction—1990 c 274: "This act shall not be construed as affecting any existing right acquired or liability or obligation incurred under the sections amended or repealed in this act or under any rule or order adopted under those sections, nor as affecting any proceeding instituted under those sections." [1990 c 274 § 17.]

Effective date—Severability—1977 ex.s. c 293: See notes following RCW 41.32.755.

Emergency—1974 ex.s. c 199: "This 1974 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately." [1974 ex.s. c 199 § 7.]

Severability—1974 ex.s. c 199: "If any provision of this 1974 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1974 ex.s. c 199 § 8.]

Construction—1974 ex.s. c 199: "(1) Subsection (3) of section 4 of this 1974 amendatory act relating to elected and appointed officials shall be retroactive to January 1, 1973.

(2) Amendatory language contained in subsection (11) of section 1 relating to members as members of the legislature and in provisos (2) and (3) of section 2 of this 1974 amendatory act shall only apply to those members who are serving as a state senator, state representative or state superintendent of public instruction on or after the effective date of this 1974 amendatory act.
