

RCW 43.99Q.120 Legislative building rehabilitation project—

Finding—Intent. The legislature finds that it is necessary to complete the rehabilitation of the state legislative building, to extend the useful life of the building, and provide for the permanent relocation of offices displaced by the rehabilitation and create new space for public uses.

Furthermore, it is the intent of the legislature to fund the majority of the rehabilitation and construction using bonds repaid by the capitol building construction account, as provided for in the enabling act and dedicated by the federal government for the sole purpose of establishing a state capitol, to fund the cash elements of the project using capital project surcharge revenues in the Thurston county capital facilities account, and to support the establishment of a private foundation to engage the public in the preservation of the state legislative building and raise private funds for restoration and educational efforts.
