

RCW 44.68.100 Electronic access to legislative information. The legislature and legislative agencies through the administrative committee, shall:

- (1) Continue to plan for and implement processes for making legislative information available electronically;
- (2) Promote and facilitate electronic access to the public of legislative information and services;
- (3) Establish technical standards for such services;
- (4) Consider electronic public access needs when planning new information systems or major upgrades of information systems;
- (5) Develop processes to determine which legislative information the public most wants and needs;
- (6) Increase capabilities to receive information electronically from the public and transmit forms, applications and other communications and transactions electronically;
- (7) Use technologies that allow continuous access twenty-four hours a day, seven days per week, involve little or no cost to access, and are capable of being used by persons without extensive technology ability; and
- (8) Consider and incorporate wherever possible ease of access to electronic technologies by persons with disabilities. [2020 c 114 § 16; 1996 c 171 § 4.]
