

RCW 46.16A.025 Adjustment of vehicle registration periods to stagger renewal periods. The department may by rule extend or reduce vehicle registration periods for the purpose of staggering renewal periods. The rules may exclude any classes or classifications of vehicles from the staggered renewal system and may provide for the gradual introduction of classes or classifications of vehicles into the system. The rules shall provide for the collection of proportionately increased or decreased vehicle license fees and of excise or property taxes required to be paid at the time of registration.

It is the intent of the legislature that there shall be neither a significant net gain nor loss of revenue to the state general fund or the motor vehicle fund as the result of implementing and maintaining a staggered vehicle registration system.
