

RCW 46.68.350 Snowmobile account—Disposition of snowmobile moneys. (1) The snowmobile account is created within the state treasury. Snowmobile registration fees, monetary civil penalties from snowmobile dealers, and snowmobile fuel tax moneys collected under *this chapter and chapter 46.17 RCW and in excess of the amounts fixed for the administration of the registration and fuel tax provisions of *this chapter must be deposited into the account and must be appropriated only to the state parks and recreation commission for the administration and coordination of *this chapter.

(2) The moneys collected by the department as snowmobile registration fees, monetary civil penalties from snowmobile dealers, and fuel tax moneys placed into the account must be distributed in the following manner:

(a) Actual expenses not to exceed three percent for each year must be retained by the department to cover expenses incurred in the administration of the registration and fuel tax provisions of *this chapter; and

(b) The remainder of funds each year must be remitted to the state treasurer to be deposited into the snowmobile account of the general fund and must be appropriated only to the commission to be expended for snowmobile purposes. Purposes may include, but not necessarily be limited to, the administration, acquisition, development, operation, and maintenance of snowmobile facilities and development and implementation of snowmobile safety, enforcement, and education programs. During the 2013-2015 biennium the legislature may appropriate funds from the account to the department of natural resources for purpose of planning and supporting snowmobile activities on lands purchased by the department in the Yakima river basin.

(3) This section is not intended to discourage any public agency in this state from developing and implementing snowmobile programs. The commission may award grants to public agencies and contract with any public or private agency or person for the purpose of developing and implementing snowmobile programs, as long as the programs are not inconsistent with the rules adopted by the commission.
