

RCW 48.23.100 Nonforfeiture options. There shall be a provision specifying the option to which the policyholder is automatically entitled in the absence of the election of other nonforfeiture options upon default in premium payment after nonforfeiture values become available. [1947 c 79 § .23.10; Rem. Supp. 1947 § 45.23.10.]
