

RCW 48.44.305 When injury caused by intoxication or use of narcotics. A health care service contractor may not deny coverage for the treatment of an injury solely because the injury was sustained as a consequence of the enrolled participant's being intoxicated or under the influence of a narcotic. [2004 c 112 s 4.]

Finding—Application—2004 c 112: See notes following RCW 48.20.385.
