

RCW 48.46.250 Coverage of dependent children—Newborn infants, congenital anomalies—Notification period. (1) Any health maintenance agreement under this chapter which provides coverage for dependent children of the enrolled participant shall provide the same coverage for newborn infants of the enrolled participant from and after the moment of birth. Coverage provided under this section shall include, but not be limited to, coverage for congenital anomalies of such children from the moment of birth.

(2) If payment of an additional premium is required to provide coverage for a child, the agreement may require that notification of birth of a newly born child and payment of the required premiums must be furnished to the health maintenance organization. The notification period shall be no less than sixty days from the date of birth. This subsection applies to agreements issued or renewed on or after January 1, 1984. [1984 c 4 § 2; 1983 c 202 § 12.]
