

RCW 57.08.170 Water conservation plan—Emergency water use restrictions—Fine. A district may adopt a water conservation plan and emergency water use restrictions. The district may enforce a water conservation plan and emergency water use restrictions by imposing a fine as provided by resolution for failure to comply with any such plan or restrictions. The commissioners may provide by resolution that if a fine for failure to comply with the water conservation plan or emergency water use restrictions is delinquent for a specified period of time, the district shall certify the delinquency to the treasurer of the county in which the real property is located and serve notice of the delinquency on the subscribing water customer who fails to comply, and the fine is then a separate item for inclusion on the bill of the party failing to comply with the water conservation plan or emergency water use restrictions.
