

RCW 68.52.170 Canvass of returns—Votes required for district formation.

(1) The returns of the election must be canvassed following the election, but the canvass may be adjourned from time to time to await the receipt of election returns. Upon conclusion of the canvass, the canvassing officials must certify the results to the county legislative authority.

(2) The cemetery district is formed if two-thirds of all votes cast at the election were in favor of the formation of the proposed district. However, in counties with only one municipality the district is formed if a majority of all votes cast at the election were in favor of the formation of the proposed district.

(3) If the proposition to form the proposed district received the voter approval required under this section, the county legislative authority must by resolution recorded in the county legislative authority's minutes: Declare the district formed under the name and number previously designated; and declare the three candidates receiving the highest number of votes for cemetery district commissioners as the duly elected first commissioners of the district. The clerk of the county legislative authority must certify a copy of the resolution and cause it to be filed for record in the offices of the county auditor and the county assessor of the county. The certified copy may be recorded without payment of a recording fee.

(4) If the proposition to form the proposed district failed to receive the voter approval required under this section, the county legislative authority must record in the county legislative authority's minutes the failed vote, and all proceedings relating to the proposed district are null and void.

(5) For the purposes of this section, "municipality" means a city or town. [2013 c 167 § 7; 1947 c 6 § 9; Rem. Supp. 1947 § 3778-158. Formerly RCW 68.16.090.]
