

RCW 69.48.170 Public disclosure. Proprietary information submitted to the department under this chapter is exempt from public disclosure under RCW 42.56.270. The department may use and disclose such information in summary or aggregated form that does not directly or indirectly identify financial, production, or sales data of an individual covered manufacturer or drug take-back organization. [2018 c 196 s 17.]

Sunset Act application: See note following chapter digest.
