

RCW 69.50.207 Schedule III tests. (a) [(1)] The commission shall place a substance in Schedule III upon finding that:

(1) [(a)] the substance has a potential for abuse less than the substances included in Schedules I and II;

(2) [(b)] the substance has currently accepted medical use in treatment in the United States; and

(3) [(c)] abuse of the substance may lead to moderate or low physical dependence or high psychological dependence.

(b) [(2)] The commission may place a substance in Schedule III without making the findings required by subsection (a) [(1)] of this section if the substance is controlled under Schedule III of the federal Controlled Substances Act by a federal agency as the result of an international treaty, convention, or protocol.
