

RCW 70.136.010 Legislative intent. It is the intent of the legislature to promote and encourage advance planning, cooperation, and mutual assistance between applicable political subdivisions of the state and persons with equipment, personnel, and expertise in the handling of hazardous materials incidents, by establishing limitations on liability for those persons responding in accordance with the provisions of RCW 70.136.020 through 70.136.070. [1982 c 172 s 1.]

Reviser's note: Although 1982 c 172 directed that sections 1 through 7 of that enactment be added to chapter 4.24 RCW, codification of these sections as a new chapter in Title 70 RCW appears more appropriate.
