

RCW 70.97.070 Comprehensive assessments—Individualized behavior support plan. (1) The enhanced services facility shall complete a comprehensive assessment for each resident within fourteen days of admission, and the assessments shall be repeated upon a significant change in the resident's condition or, at a minimum, every one hundred eighty days if there is no significant change in condition.

(2) The enhanced services facility shall develop an individualized behavior support plan for each resident based on the comprehensive assessment and any other information in the person's record. The plan shall be updated as necessary, and shall include a plan for appropriate transfer or discharge and reintegration into the community. Where the person is under the supervision of the department of corrections, the facility shall collaborate with the department of corrections to maximize treatment outcomes and reduce the likelihood of reoffense.

(3) The plan shall maximize the opportunities for independence, recovery, employment, the resident's participation in service planning decisions, and collaboration with peer-supported services, and provide for care and services in the least restrictive manner appropriate to the individual resident, and, where relevant, to any court orders with which the resident must comply.
