

RCW 70A.15.3120 State departments and agencies to cooperate with department and authorities. It is declared to be the intent of the legislature of the state of Washington that any state department or agency having jurisdiction over any building, installation, other property, or other activity creating or likely to create significant air pollution shall cooperate with the department and with air pollution control agencies in preventing and/or controlling the pollution of the air in any area insofar as the discharge of air contaminants from or by such building, installation, other property, or activity may cause or contribute to pollution of the air in such area. Such state department or agency shall comply with the provisions of this chapter and with any ordinance, resolution, rule or regulation issued hereunder in the same manner as any other person subject to such laws or rules.
