

RCW 70A.214.120 Voluntary reduction plan—Exemption. A person required to prepare a plan under RCW 70A.214.110 because of the quantity of hazardous waste generated may petition the director to be excused from this requirement. The person must demonstrate to the satisfaction of the director that the quantity of hazardous waste generated was due to unique circumstances not likely to be repeated and that the person is unlikely to generate sufficient hazardous waste to require a plan in the next five years. [2020 c 20 § 1217; 1990 c 114 § 7. Formerly RCW 70.95C.210.]
