

RCW 70A.545.120 Limitation of liability/responsibility. (Expires July 1, 2030.) (1) Nothing in this chapter establishes or creates any liability or responsibility on the part of the agency or the state as administrators of the program to pay any costs for remedial actions or third-party claims from any source other than the pollution liability insurance program trust account.

(2) The agency and the state as administrators of the program have no liability or responsibility to make payments for remedial action costs or third-party claims if the moneys in the account are insufficient.

(3) If the moneys in the account are insufficient to make the payments at the time the loss declaration form is filed, these requests must be paid in the order of filing at such time as moneys accrue in the account, except for releases from a petroleum underground storage tank that present an imminent threat to human health and the environment must receive first priority for receiving moneys to eliminate the imminent threat.
