(1) Notwithstanding any other provisions of law, the secretary may enter into contracts with health care practitioners, health care facilities, and other entities or agents as may be necessary to provide basic medical care to residents. (3) To the extent that federal law allows and financial participation is available, the secretary or secretary's designee is authorized to act on behalf of a civilly committed resident for the purposes of applying for medicare and medicaid benefits, veterans health benefits, or other health care benefits or reimbursement available as a result of participation in a health care exchange as defined by the affordable care act.
