

RCW 74.13.570 Oversight committee—Duties. (1) The department shall establish an oversight committee composed of staff from the office of the superintendent of public instruction, the student achievement council, foster youth, former foster youth, foster parents, and advocacy agencies to develop strategies for maintaining foster children in the schools they were attending at the time they entered foster care and to promote opportunities for foster youth to participate in postsecondary education or training.

(2) The duties of the oversight committee shall include, but are not limited to:

- (a) Developing strategies for school-based recruitment of foster homes;

Effective date—2012 c 229 ss 101, 117, 401, 402, 501 through 594, 601 through 609, 701 through 708, 801 through 821, 902, and 904: See note following RCW 28B.77.005.

Findings—Intent—2005 c 93: "(1) The legislature finds that:

- (a) The majority of foster youth fail to thrive in our educational system and, relative to nonfoster youth, disproportionately few enroll in college or other postsecondary training programs. As a result, former foster youth generally have poor employment and life satisfaction outcomes; and
- (b) Low expectations, lack of information, fragmented support services, and financial hardship are the most frequently cited reasons for failure of foster youth to pursue postsecondary education or training. Initiatives have been undertaken at both the state and community levels in Washington to improve outcomes for foster youth in

transition to independence; however, these initiatives are often not coordinated to complement one another.

(2) The legislature intends to encourage and support foster youth to pursue postsecondary education or training opportunities. A coordination committee that provides statewide planning and oversight of related efforts will improve the effectiveness of both current and future initiatives to improve postsecondary educational outcomes for foster youth. In addition, the state can provide financial support to former foster youth pursuing higher education or training by setting aside portions of the state need grant and the state work-study programs specifically for foster youth." [2005 c 93 s 1.]

Findings—Intent—2003 c 112: See note following RCW 74.13.550.
