

RCW 74.13.810 Child malnutrition field guide. By September 1, 2023, the department, in consultation with the department of health, shall produce and make available to department staff a child malnutrition field guide. This child malnutrition field guide must:

- (1) Be concise, but provide references to additional comprehensive and trauma-informed resources for department staff to access if needed;
- (2) Be easily accessible by department staff;
- (3) Describe how to identify signs of child malnutrition;
- (4) Include appropriate questions to ask the child and others close to the child when child malnutrition is suspected;
- (5) Include the appropriate next steps department staff may take when child malnutrition is suspected; and
- (6) Include any additional information the department deems relevant. [2023 c 70 s 1.]
