

**RCW 74.38.030 Administration of community-based services program  
—Area plans—Annual state plan—Determination of low-income eligible persons.**

(1) The program of community-based services authorized under this chapter shall be administered by the department. Such services may be provided by the department or through purchase of service contracts, vendor payments or direct client grants.

The department shall, under stipend or grant programs provided under RCW 74.38.060, utilize, to the maximum staffing level possible, eligible persons in its administration, supervision, and operation.

(2) The department shall be responsible for planning, coordination, monitoring and evaluation of services provided under this chapter but shall avoid duplication of services.

(3) The department may designate area agencies in cities of not less than twenty thousand population or in regional areas within the state. These agencies shall submit area plans, as required by the department. For area plans prepared for submission in 2009, and thereafter, the area agencies may include the findings and recommendations of area-wide planning initiatives that they may undertake with appropriate local and regional partners regarding the changing age demographics of their area and the implications of this demographic change for public policies and public services. They shall also submit, in the manner prescribed by the department, such other program or fiscal data as may be required.

(4) The department shall develop an annual state plan pursuant to the Older Americans Act of 1965, as now or hereafter amended. This plan shall include, but not be limited to:

(a) Area agencies' programs and services approved by the department;

(b) Other programs and services authorized by the department; and

(c) Coordination of all programs and services.

(5) The department shall establish rules and regulations for the determination of low-income eligible persons. Such determination shall be related to need based on the initial resources and subsequent income of the person entering into a program or service. This determination shall not prevent the eligible person from utilizing a program or service provided by the department or area agency. However, if the determination is that such eligible person is nonlow income, the provision of RCW 74.38.050 shall be applied as of the date of such determination.
