

RCW 76.44.090 Director to coordinate cooperatives and centers.

The director of the school of forest resources at the University of Washington shall coordinate the various cooperatives and centers within the school of forest resources to promote a holistic, efficient, and integrated approach that broadens the research and outreach programs and addresses issues facing the forest sector.
[2011 c 187 § 7.]

Findings—Intent—2011 c 187: See note following RCW 76.44.020.
