

RCW 77.32.570 Master hunter permit program—Fee. (1) In order to effectively manage wildlife in areas or at times when a higher proficiency and demonstrated skill level are needed for resource protection or public safety, the department establishes the master hunter permit program. The master hunter permit program emphasizes safe, ethical, responsible, and lawful hunting practices. Program goals include improving the public's perception of hunting and perpetuating the highest hunting standards.

(2) A master hunter permit is required to participate in controlled hunts to eliminate problem animals that damage property or threaten public safety. The commission may establish by rule the requirements an applicant must comply with when applying for or renewing a master hunter permit, including but not limited to a criminal background check. The director may establish an advisory group to assist the department with administering the master hunter [permit] program.

(3) The fee for an initial master hunter permit may not exceed fifty dollars, and the cost of renewing a master hunter permit may not exceed twenty-five dollars. Funds generated under this section must be deposited into the fish and wildlife enforcement reward account established in RCW 77.15.425, and the funds must be used exclusively to administer the master hunter [permit] program.
