

RCW 77.85.135 Habitat project funding—Statement of environmental benefits—Development of outcome-focused performance measures. In providing funding for habitat projects, the salmon recovery funding board shall require recipients to incorporate the environmental benefits of the project into their grant applications, and the board shall utilize the statement of environmental benefits in its prioritization and selection process. The board shall also develop appropriate outcome-focused performance measures to be used both for management and performance assessment of the grant program. To the extent possible, the board should coordinate its performance measure system with other natural resource-related agencies as defined in RCW 43.41.270. The board shall consult with affected interest groups in implementing this section. [2001 c 227 § 9.]
