

RCW 79A.05.178 Real property disposal—Disputed land—Manner—

Notice and hearing—Suit for noncompliance. (1) Notwithstanding any other provision of this chapter, the commission may directly dispose of up to ten contiguous acres of real property, without public auction, to resolve trespass, property ownership disputes, and boundary adjustments with adjacent private property owners. Real property to be disposed of under this section may be disposed of only after appraisal and for at least fair market value, and only if the transaction is in the best interest of the state. The commission shall cooperate with potential purchasers to arrive at a mutually agreeable sales price. If necessary, determination of fair market value may include the use of separate independent appraisals by each party and the review of the appraisals, as agreed upon by the parties. All conveyance documents shall be executed by the governor. All proceeds from the disposal of the property shall be paid into the parkland acquisition account. No disposal of real property may be made without the unanimous consent of the commission.

(2) Prior to the disposal of any real property under subsection (1) of this section, the commission shall hold a public hearing on the proposal in the county where the real property, or the greatest portion of the real property, is located. At least ten days, but not more than twenty-five days, prior to the hearing, the commission shall publish a paid public notice of reasonable size in display advertising form, setting forth the date, time, and place of the hearing, at least once in one or more daily newspapers of general circulation in the county and at least once in one or more weekly newspapers circulated in the area where the real property is located. A news release concerning the public hearing must be disseminated among print and electronic media in the area where the real property is located. The public notice and news release shall also identify the real property involved in the proposed disposal and describe the purpose of the proposed disposal. A summary of the testimony presented at the public hearing shall be prepared for the commission's consideration when reviewing the proposed disposal of real property.

(3) If there is a failure to substantially comply with the procedures set out under this section, then the agreement to dispose of the real property is subject to being declared invalid by a court of competent jurisdiction. Such a suit must be brought within one year of the date of the real property disposal agreement. [2000 c 42 § 1.]
