

RCW 79A.05.695 Amendments to plan—Approval—Procedure.

Amendments to the recreation management plan may be adopted jointly by each local government participating in the plan and submitted to the commission for approval. The commission shall approve a proposed amendment if, in the commission's judgment, the amendment adequately fulfills the requirements of RCW 79A.05.600 through 79A.05.695.

After a plan is approved, the commission may require local jurisdictions to adopt amendments to the plan if the commission finds that such amendments are necessary to protect public health and safety, or to protect significant natural resources as determined by the agency having jurisdiction over the resource.
