

RCW 79A.05.715 Acquisition of real property, easements, or rights authorized—Rights of other state agencies not to be infringed upon. Nothing herein shall be construed as authorizing or directing the state parks and recreation commission to acquire any real property, easements, or rights in the Green River Gorge in King county which are now held by any state agency for the purposes of outdoor recreation, conservation, fish, or wildlife management or public hunting or fishing without the approval of such agency. [1969 ex.s. c 162 § 4. Formerly RCW 43.51.930.]
