

RCW 82.63.020 Application—Annual tax performance report—

Reports. (1) Application for deferral of taxes under this chapter must be made before initiation of construction of, or acquisition of equipment or machinery for the investment project. In the case of an investment project involving multiple qualified buildings, applications must be made for, and before the initiation of construction of, each qualified building. The application must be made to the department in a form and manner prescribed by the department. The application must contain information regarding the location of the investment project, the applicant's average employment in the state for the prior year, estimated or actual new employment related to the project, estimated or actual wages of employees related to the project, estimated or actual costs, time schedules for completion and operation, and other information required by the department. The department must rule on the application within sixty days.

(2) Each recipient of a deferral of taxes under this chapter must file a complete annual tax performance report with the department under RCW 82.32.534. If the economic benefits of the deferral are passed to a lessee as provided in RCW 82.63.010(7), the lessee must file a complete annual tax performance report, and the applicant is not required to file the annual tax performance report.

(3) A recipient who must repay deferred taxes under RCW 82.63.045 because the department has found that an investment project is used for purposes other than research and development performed within this state in the fields of advanced computing, advanced materials, biotechnology, electronic device technology, and environmental technology is no longer required to file annual tax performance reports under RCW 82.32.534 beginning on the date an investment project is used for nonqualifying purposes.
