

RCW 87.76.010 Coordination of programs—Reports. The directors of the several irrigation districts in the state shall take such action as they deem necessary to effect coordination of their common programs for the economical and efficient operation of their districts and the reclamation of lands therein, and prepare reports annually for such operations. [1947 c 193 s 1; Rem. Supp. 1947 s 7505-10.]
