RCW 9.94A.502 Domestic violence risk assessment tool. (1) The Washington State University department of criminal justice shall develop a tool to be used in conjunction with the Washington one risk assessment that would specifically predict whether the offender will commit domestic violence in the future. The domestic violence tool may incorporate relevant court records into the prediction modeling, if practical within the resources allocated. The tool will be used by the department as part of the current risk, needs, and responsivity assessment process.

(2) The Washington State University department of criminal justice shall make the domestic violence risk assessment tool available for use by the department no later than July 1, 2020. Subject to funds appropriated for this specific purpose, the department shall start to implement the domestic violence risk assessment tool by July 1, 2020, and by July 1, 2021, the department shall use the domestic violence risk assessment tool when conducting a Washington one risk assessment for an offender with a current conviction where domestic violence was pleaded and proven.

(3) The harborview center for sexual assault and traumatic stress shall develop a training curriculum for domestic violence perpetrator treatment providers that incorporates evidence-based practices and treatment modalities consistent with the Washington Administrative Code provisions adopted by the department of social and health services. The harborview center for sexual assault and traumatic stress shall complete the training curriculum and make it available for provider training no later than June 30, 2020. [2019 c 263 s 401.]

Findings—Intent—2019 c 263 ss 202-803: See note following RCW 10.01.240.
