Dear Chief Clerk Dean and Secretary Bannister:

Please accept the enclosed report, submitted on behalf of the Department of Natural Resources (“Department”), as directed by the Legislature in the 2021-2023 Operating Budget (Engrossed Substitute Senate Bill 5092). Section 310 (8) of the bill directs the Department to submit monthly updates of fire suppression costs incurred, and the number and type of wildfires suppressed, to the appropriate fiscal and policy committees of the Legislature and the Office of Financial Management.

There were zero classified fires recorded in January 2022. Total fire cost to the department for the month of January was \$4.4 million. Estimated costs for FY 2022 are \$120.6 million as compared to the FY GF-S/Disaster allotment of \$28.7 million. This puts us over the current allotment of GF-S/Disaster & Supplemental by \$91.9 million.

Should you have any questions, please contact me at 360-764-0013 or Brian.Considine@dnr.wa.gov.

Sincerely,

Brian Considine
Legislative Director
Office of the Commissioner of Public Lands
