Dear Senators Nguyen and MacEwen and Representatives Doglio and Dye:

The Climate Commitment Act (RCW 70A.65.200(10)) directs the Office of Financial Management to submit a report to the Legislature summarizing two categories of state laws: laws that regulate greenhouse gas emissions from stationary sources and laws whose implementation may effectuate reductions in greenhouse gas emissions from stationary sources.

I am pleased to transmit the [Washington State Laws Affecting Greenhouse Gas Emissions Study Report](#) that was prepared by Hammerschlag LLC.

If you have any questions, please contact Jim Cahill, Senior Budget Advisor, at [jim.cahill@ofm.wa.gov](mailto:jim.cahill@ofm.wa.gov) or (360) 790-2630.

Sincerely,
