Dear Senator Mullet and Representative Tharinger:

The Department of Enterprise Services (DES) is pleased to forward the DES Energy Star Portfolio Manager Benchmarking Report in accordance with RCW 19.27A.

DES submits the benchmarking report to the Legislature every two years, capturing energy benchmarking data for state owned and leased buildings with 10,000 or more square feet. DES uses that data to identify data gaps and training needs.

This report is available on the DES publication and reports website,  
<https://des.wa.gov/about/publications-reports>.
