

**WAC 132I-160-033 Admission requirements.** There are some guidelines in addition to the general admission policy (WAC 132I-160-025). These are:

(1) Highline College recommends, but does not require, that new students with less than forty-five transferable college-level credits take placement tests for advising, placement, and retention purposes.

(2) Specific courses may require demonstration of proficiency by assessment test scores or previous college course work.

(3) Some programs have selective admission requirements and procedures due to limited space or other requirements. These requirements and procedures are updated annually and may differ for each program. Contact the Highline College office of admissions, for specific information.
