

WAC 132I-168A-050 Library use. Consistent with a community college as an active and integral part of the community, the library's materials and services are a public resource available to the surrounding community. Within this principle, the library's primary clientele are students, faculty, and staff of Highline College. The library also welcomes students from other Washington community and technical colleges and the community at large. The resources of the library are also available for sharing with other libraries within the state and globally.
