

**WAC 132S-400-110 Statement of purpose.** Columbia Basin College is an educational institution provided and maintained by the people of the state of Washington. College facilities are reserved primarily for educational use including, but not limited to, instruction, research, public assembly of college groups, student activities and other activities directly related to the college's educational mission. The college's public character does not grant individuals an unlimited license to engage in activity which limits, interferes with, or otherwise disrupts the normal activities for and to which the college's facilities and grounds are dedicated. Accordingly, as provided by WAC 132S-400-115, the college designates areas intended for first amendment activities for the limited purposes recited herein and further subject to the time, place, and manner limitations and restrictions set forth in this policy.

The purpose of the time, place and manner regulations set forth in this policy is to establish procedures and reasonable controls for the use of college facilities for noncollege groups. The college recognizes that college groups should be accorded the opportunity to utilize the facilities and grounds of the college to the fullest extent possible. The college intends to open its facilities to noncollege groups to a lesser extent as set forth herein.
