

WAC 135-110-560 Ballot security. Ballots cast must use a double-envelope paper balloting system, in which:

(1) The voter places the completed ballot inside the inner envelope;

(2) The inner envelope is sealed to prevent tampering;

(3) No personally identifying marks are to be placed on the inner envelope;

(4) The inner envelope containing the completed ballot is placed in the outer envelope;

(5) The voter provides sufficient identifying information on, or inserted into, the outer envelope to allow polling officers to verify the eligibility of the voter;

(6) For electronic voting, the functional equivalent of a paper ballot shall be used to assure security; and

(7) The provisions listed above shall not apply to a ballot cast during a poll-site election by an individual that has been verified to be eligible to vote in the election.
