

WAC 173-153-020 To what does this chapter apply? These procedures apply to the establishment of water conservancy boards in accordance with chapter 90.80 RCW and to:

- (1) How such boards will function when processing water right transfer applications that are filed with a board or that are transferred to a board from ecology at an applicant's request;
- (2) Reporting requirements of boards;
- (3) How ecology will support and interact with boards; and
- (4) How interested agencies and the public may participate in the board process.
