

WAC 192-190-075 Sick leave pay. (1) You must report sick leave pay when filing your claim for benefits.

(a) If sick leave pay is assigned to a specific time period by your employer or as part of a collective bargaining agreement, it is deductible from benefits.

(b) If you receive a cash out of accrued sick leave, it is not deductible from benefits.

(2) If your benefits are reduced because you reported sick leave pay, they will not be further reduced because you were not able to work on the day(s) for which you were on paid sick leave.

Example: You are sick for three days during a week. You receive sick leave pay for two of those days. Your benefits will be reduced for those two days by the amount of sick leave paid to you. Your benefits will be reduced by one-seventh under RCW 50.20.130 for the third day because you were not able to work.
