

WAC 208-594-020 Administration of fiduciary powers. (1) (a) The

board of directors of the savings and loan association is responsible for the proper exercise of fiduciary powers by the trust department. All matters pertinent thereto, including the determination of policies, the investment and disposition of property held in a fiduciary capacity, and the direction and review of the actions of all officers, employees, and committees utilized by the savings and loan association in the exercise of its fiduciary powers, are the responsibility of the board. In discharging this responsibility, the board of directors may assign, by action duly entered in the minutes, the administration of such of the association's fiduciary powers as it may consider proper to assign to such director(s), officer(s), employee(s), or committee(s) as it may designate.

(b) No fiduciary account shall be accepted without the prior approval of the board, or of the director(s), officer(s), or committee(s) to whom the board may have designated the performance of that responsibility. A written record shall be made of such acceptances and of the relinquishment or closing out of all fiduciary accounts. Upon the acceptance of an account for which the trust company has investment responsibilities a prompt review of the assets shall be made. The board shall also ensure that at least once during every calendar year thereafter, and within fifteen months of the last review, all the assets held in or for each fiduciary account where the association has investment responsibilities are reviewed to determine the advisability of retaining or disposing of such assets.

(2) All officers and employees taking part in the operation of the trust department shall be adequately bonded.

(3) Every qualified fiduciary subject to this chapter and exercising fiduciary powers in this state shall designate, employ, or retain legal counsel who shall be readily available to pass upon fiduciary matters and to advise the savings and loan association and its trust department.

(4) The trust department may utilize personnel and facilities of other departments of the savings and loan association, and other departments of the savings and loan association may utilize the personnel and facilities of the trust department only to the extent not prohibited by law and as long as the separate identity of the trust department is preserved.

(5) Fiduciary records shall be kept separate and distinct from other records of the savings and loan association and maintained in compliance with the provisions of RCW 30.04.240. All fiduciary records shall be kept and retained for such time as to enable the fiduciary to furnish such information or reports with respect thereto as may be required by the director of the department of financial institutions.

(6) Every such fiduciary shall keep an adequate record of all pending litigation to which it is a party in connection with its exercise of fiduciary powers.
