

WAC 230-16-080 Event pull-tab series. (1) Manufacturers must ensure that event pull-tab series meet all standards of construction for other pull-tab series; and

(2) Manufacturers must ensure the flare for event pull-tab series meets requirements for flares and substitute flares and explain:

(a) The number of chances available to advance to the event round; and

(b) How the event round winner is determined; and

(c) The number of instant winner pull-tabs, if available; and

(d) The number of winning event round pull-tabs at each level.

[Statutory Authority: RCW 9.46.070. WSR 07-19-069 (Order 615), § 230-16-080, filed 9/17/07, effective 1/1/08.]
